

## GoLocal Contest Instructions

If your club loves food like we do, help us promote local food businesses on campus! Enter the [GoLocal](#) Fall 2024 contest from 11/4/24 - 12/13/24 to help us direct more CMU spending towards local small food businesses. There are lots of local, minority-owned, and delicious small restaurants that can deliver food to CMU, and we want them to be successful.

### Three ways to enter:

1. Send us a screenshot of your order from a [GoLocal](#) restaurant for your next meeting or event ([entry link](#))
2. Promote a new or existing [GoLocal](#) business by using your socials and send us a pic ([entry link](#))
3. Help us get new local restaurants you know and love on GoLocal by submitting this form:

**Two ways to win!** Winners will be announced at the end of the semester in two categories:

- Most transactions with a new or existing GoLocal vendor
- The buyer that spends the most with a GoLocal vendor through 12/31/2024

First place will get a \$100 voucher and second place will get a \$50 voucher towards a local food business for your student organization. We all win when small businesses succeed!
